TRAVEL CONDITIONS

Cruise and Excursion Bookings

Please read our travel conditions carefully before making your reservation. Booking implies acceptance of these terms.

1. **Price**

The prices are determined based on the season, the program, the price of flight tickets, and if applicable, the category of hotels/cruises. The balance must be paid in full 8 weeks before the departure date.

2. **Delays**

The organizer is not responsible for delays occurring before departure or during the excursion or cruise if caused by technical issues, strikes, bad weather, or any other reason outside of our control. Delays due to weather or traffic may alter the excursion's itinerary. Such alterations are not refundable.

3. **Unused Services During Your Trip**

No refund will be granted for any unused services included in the trip. We reserve the right to change the boat at any time if circumstances require it, ensuring an alternative of the same category.

4. **Passports and Travel Documents**

Passengers must ensure they have a valid travel document (passport or ID card) in order at the time of departure and valid for 6 months after the scheduled return date.

5. **Cruise or Excursion Responsibility**

We will do our best to ensure that the cruise or excursion goes as planned. However, in some circumstances, we do not have direct control over services offered by suppliers and cannot guarantee the omission or errors made by said suppliers. We are also subject to weather conditions.

6. **Release Form**

If you participate in one of our cruises, our dive master will provide all necessary safety instructions for snorkeling, freediving, and diving in the Red Sea at the beginning of the trip. After this briefing, you will be asked to sign a liability release form.

7. **Cancellation and Cancellation Fees**

All cancellations must be notified in writing before the departure date. Cancellation fees will be applied based on a percentage of the total trip price: 60% if cancellation is made at least three weeks before departure, and 50% if cancellation is made more than a month before the departure date. No refund will be given for cancellations made less than three weeks before departure. Similarly, if your cancellation is due to a flight schedule change by the tour operator, no refund will be granted.

8. **Not Included in the Cruise Price**

The price of the cruise or excursion does not include the entry visa and/or any other travel documents, phone calls, laundry service, or any other personal services not listed in the itinerary provided to you.

9. **Luggage**

The reservation price includes one 20 kg luggage allowance if your reservation includes a flight ticket. The organizer is not responsible for loss or damage to luggage or any other personal belongings of passengers. We recommend taking out luggage insurance.

10. **Special Requests**

Please specify any special requests when booking. We will do our best to accommodate them but cannot guarantee they will be granted. Please also mention if your health requires special or vital treatments and/or medications at the time of booking.
